## Medication

Medications must be in the original bottle with prescription label. Only authorized staff (Coordinator, Assistant, or Lead Counselors) may administer. Notify staff of EPI pens or special medical needs prior to attending HUB Programs.

## Communication

Please inform the Youth Coordinator if your child experiences stress at school, home, or elsewhere—this helps us provide a supportive, understanding environment.

  - Weather-appropriate clothing

## Behavior Expectations

We focus on respect, responsibility, positivity, and safety. Children are encouraged to:

- Be Respectful
- Be Responsible
- Be Positive
- Be Safe & In Control

## Discipline Policy

Common misbehaviors will be addressed using positive redirection and reinforcement. Ongoing misbehavior will be communicated to parents during pick up or via text or email.

Unacceptable behaviors include (violence, verbal abuse, intentional destruction of property, unwillingness to follow rules and/or instruction, running away from HUB Programs, stealing).

At the HUB, we promote respect, safety, and kindness in all interactions. Bullying, unsafe behavior, or repeated defiance will not be tolerated. When behavioral concerns arise, staff will use positive redirection, communicate with parents, and work on a behavior plan if needed.

Misbehavior qualifies as bullying when it is intentional, targeted, involves a real or perceived power imbalance, and is repeated or likely to repeat.

Serious and/or ongoing issues may result in suspension or dismissal from the program. Immediate dismissal may occur for physical harm or threats, property destruction, harassment or sexual misconduct, or behaviors beyond our ability to manage safely.

## Program Commitment Disclaimer

By registering your child(ren) in BCRD HUB Programs, you are committing to participation for the full duration of the program. We understand that scheduling conflicts or changes in circumstances may occur; however, withdrawn spaces are difficult to fill, particularly as the program progresses.

**We're excited to have your family join the HUB!** Together, we'll create a safe, inclusive, and fun environment where every child can learn, grow, and thrive.
