

# Quigley Trails Park

## Multi-Use Sports Field

### Construction August 2026-Spring 2028

In response to community demand, BCRD is building multi-use sports fields. Quigley Trails Park stadium access is limited during this time to establish fields. Access to portions of Quigley Trails Park will be restricted during construction and establishment of fields.

#### When:

August 2026 to Spring 2028

#### What:

Perimeter fencing on the north side of the Quigley Trails Park stadium.

Grading, seeding, and establishment of turf for BCRD sports programs.

Update Pump Track with shaded viewing area.

#### How:

BCRD is fundraising to support this community project. To make a gift, please contact Morgan Buckert at (208) 578-5458 or [mbuckert@bcrd.org](mailto:mbuckert@bcrd.org).

## CONSTRUCTION ZONE REMAINS OFF-LIMITS

to people and their pets for the duration of this project.

Updates will be provided periodically, as needed.

Since 2018, Blaine County Recreation District has added amenities to Quigley Trails Park, our most-popular year-round trailhead. BCRD has built Nordic skiing, the Quigley Loop Trail, the Quigley Trails Park flow trails, jump lines, pump tracks, and skills features that have brought recreational opportunities to our backyard.
